**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a resident in San Francisco. I was stuck with lousy National name brand internet provider for years. Their plans were expensive. Their services was not good and out of service frequently. Last year I found a local competitive broadband provider. Their price is reasonable and their service great. Please keep local broadband internet provider and competition. Thanks.

Yours sincerely,

Sidney Wong
